Spa baths, whitening treatments, facials, aromatherapy relaxation massages, steak dinners, limo rides and in-suite plasma TVs. Sounds like a dream getaway, right? Sorry, but the Barkley Pet Hotel & Day Spa in Orange Village only accommodates guests of the four-legged variety, for whom a standard kennel will not do. Just don't be surprised when your pet is sad to leave after a taste of this dog's life. 27349 Miles Rd., Orange Village, 440/248-BARK, www.thebarkleypethotel.com.
