## HEALTH & SAFETY

The health and safety of our guests is our number one priority. We consult with our Veterinarian Advisory Board in order to continuously update our policies and provide the best, affordable care available. All of our pet guests' medical records, personality profiles and special needs are carefully recorded to ensure a safe and healthful visit. Our staff of animal care professionals is trained for emergencies and we are strategically located within one-half mile from 24-hour emergency pet care. **All guests must meet our published health and temperament standards.**
