## Meet Zip & Snip

Thanks to Jenny Campbell (Flo & Friends) for creating the iconic PetFix cat and dog and congratulations to Gene Edwards of Beachwood and Amy Sancetta of Bainbridge for winning our contest to name them.

## Sweet Fix'ns

Animals aren't all we fix. In July, we took advantage of an invitation from the Merrill Lynch Hunter Jumper Classic to hold an event on the show grounds. Sweet Fix'ns, an old fashioned ice-cream social, gave horse show visitors the chance to tour our clinic, meet our medical staff, and fix their own mouth watering sundaes with Mitchell's homemade ice cream and toppings. Breezewood Gardens and Invisible Fence created a beautiful back yard setting. Fox 8 Meteorologist Dick Goddard was our celebrity scooper; nationally syndicated cartoonist Jenny Campbell (Flo & Friends) drew personalized cartoons; and author Sandy Philipson brought her celebrity dogs Tak and Trini along for the afternoon. Over \$3,000 was raised to support Petfix operations.

PetFix veterinarian Alisa Taddeo, DVM (L to R) with founders Sarah K. Kirk, DVM and Megan Volpe, DVM at Fixations.

## Fixations

Just before the holidays, we joined with Nordstrom and John Roberts Hair Studio and Spa to present Fixations. Over 160 women sipped on Sammy's Dirty Muttini's and Meowy Wowy's as they enjoyed mini-make-overs, personal consultations, and demonstrations from cosmetic, skin care and fragrance giants. Jewelry designer Gai Russo provided patrons with hand-crafted silver bracelets heralding the event theme, MEOW – Make Every One Wanted. Special guest Plain Dealer Style Editor Kim Crow gave us her take on New York Fashion Week. Oleg and Cassini, two wonderful dogs from the Cuyahoga County Kennel, found new homes after being made over by Aussie Pet Mobile Groomers and outfitted by The Barkley Pet Hotel and Day Spa. The Barkley, which recently opened to rave reviews, sponsored our Grand Raffle by providing a \$2,000 gift certificate to Nemaocolin Woodlands Resort in Farmington, PA, along with a two night stay at their facility. Holland Oil added a \$50 gift card to cover the cost of the three-hour drive. The event was a total success, with over \$18,000 raised for the PetFix Clinic.

Our thanks to the Fixations Committee:

Gai Russo, chair; Connie Barrett, Jenny Campbell, Jan Glasser, Erin Gisel, Megan Grobelny, Laramie McEnaney, Amy Sancetta, Barb Stiebeling, Timy Sullivan, Kate Theobald

Barkley owner Howard Perlmutter (right) and assistant Kristen Groenke added to the fun and raised a tidy sum for PetFix at the ice cream social.
